LUSTLine INDEX AUGUST 1985 – OCTOBER 2016

Articles in this index are listed according to subject area, beginning with the most recent issue. Listings are cited by title, (author), date of issue, bulletin #, and page #.

Article Title (Author)	Issue date / #	page
------------------------	----------------	------

ADMINISTRATIVE/LEGISLATIVE

2015 UST Regulation—Is That All There Is? (Hoskinson).....	June '16 / #80	10
How Petroleum Contamination... Sparked the Regulation of Tank Sites in Rhode Island (Kaczor).....	June '16 / #80	1
PEI Recommended Practices and the New Rule (Renkes).....	Dec. '15 / #79	22
More Frequent Inspections=Improved Compliance+Increased Release Prevention? (Hoskinson).....	Dec. '15 / #79	15
First Impressions on USEPA's New UST Rule (Renkes).....	August '15 / #78	6
Meet the 2015 Revised UST Regulation (Hoskinson).....	August '15 / #78	1
Studying the Backlog of UST Releases on Tribal Lands (Hoskinson)	April '15 / #77	22
CA Makes Significant Program Changes (Fisher)	Dec. '14 / #76	25
The National UST Program: 30 Years of Protecting Groundwater (Hoskinson)	Dec. '14 / #76	7
Sound State Funds Make Good Sense (Hoskinson).....	Oct. '14 / #75	19
Choices: The Good, the Difficult (Hoskinson).....	June '14 / #74	20
The LUST Program Has Lots of Work and Scarce Help (Hoskinson).....	June '13 / #73	17
Increased Prevention: The Energy Policy Act's Legacy to the UST Program (Hoskinson).....	March '13 / #72	20
Drought-Devastated Corn Crop Calls for USEPA to Revisit Ethanol Quota (Frye).....	Sept. '12 / #71	15
Alas, the Lingering UST Release (Hoskinson)	Sept. '12 / #71	14
Something's Gotta Give (Lynn)	Sept. '12 / #71	9
When Winkle Woke Up (Changes in USTs in 25 years) (Moreau).....	Sept. '12 / #71	1
The "Twofer" Economic Theory (Lynn)	Dec. '11 / #69	21
It's Been Quite an Autumn 2011 (Hoskinson).....	Dec. '11 / #69	11
The GISST of GoNM: Prioritize Inspections, Target Remediation, Reduce Claims ... (Pruett, Arfman).....	June '11 / #68	1
Reducing the National LUST Cleanup Backlog (Hoskinson).....	Dec. '10 / #66	26
What's New at USEPA? (Hoskinson)	June '10 / #65	19
The LUST Recovery Act: One Year Later (Hoskinson)	March '10 / #64	6
USEPA Delays Decision on E15 Waiver.....	Dec. '09 / #63	24
What Is Value Stream Mapping, and Why Would Anyone Want to Do It? (Ellis).....	Dec. '09 / #63	14
The Energy Policy Act Is Strengthening UST Prevention Programs (Hoskinson)	August '09 / #62	20
USTs Get Some Respect in the Recovery Act (Hoskinson).....	May '09 / #61	18
25 Years of Progress Through Strong Partnerships (Rothenstein)	Feb. '09 / #60	14
UST Rules for a New Century (Moreau).....	Nov. '08 / #59	7
Changes Coming to the Federal UST Regulations (Rothenstein)	Sept. '08 / #58	10
Energy Policy Act Update	August '07 / #56	20
Two Years After the Energy Policy Act (Rothenstein).....	August '07 / #56	16
LUST & Fuel Harmony: Ethanol and Motor Fuels Aspects of Energy Policy Act 2005 (Ellis).....	Dec. '05 / #51	13
Okay, Who's on First? UST/LUST Aspects of Energy Policy Act 2005 (Frye).....	Dec. '05 / #51	11
A Summer to Remember (Rothenstein).....	Dec. '05 / #51	10
New Regulations Change UST Operation in California.....	June '04 / #47	29
CA Legislation Requires New UST Systems to be Vapor Tight and Fully Contained.....	Oct. '02 / #42	24
Will Congress Lay Down the Law on UST? – S. 1850 (Frye)	March '02 / #40	29
Industry Gives the Nod to S. 1850 (Renkes).....	March '02 / #40	30
Streamline: UST Regulators Look for Ways to Break the Ties that Bind Them	Sept. '91 / #15	1
"Getting to Yes" In Matters of USTs (Sausville).....	Feb. '90 / #12	13
A Quantum Leap from UST Regulator to UST Manager	May '88 / #08	9
EPA UST Computer Program Alive and Well in New Hampshire (Lavoie).....	March '87 / #05	11
The "Force" Behind OUST.....	May '86 / #03	1
EPA Creates OUST	Dec. '85 / #02	1

EMERGENCY GENERATORS

Meet the 2015 Revised UST Regulation (Hoskinson).....	August '15/#78	1
At Long Last, Recommended Practices for Emergency Generators (Renkes)	Oct. '14/#75	21

ABOVEGROUND STORAGE TANKS (ASTs)/TRAINS

Oil Trains and the UST Program (Kuhn).....	Dec. '14/#76	13
Will the West Virginia Chemical Spill Help Wake Us Up? (Frye).....	June '14/#74	7
New AST Overfill Prevention Document Available from PEI (Renkes)	August '07/#56	17
Results of Missouri PST Insurance Fund Survey on AST Cleanups.....	March '99/#31	27
Aboveground Fuel Storage Systems Take Off Running (Geyer).....	June '98/#29	5
A Haunting Reminder That Even ASTs Require Proper Installation (McCaskill).....	Oct. '92/#17	17
PEI RP200 – Recommended Practices for Installation of ASTs (Renkes)	Oct. '92/#17	18
ASTs...The Hot Alternative to USTs (McCaskill).....	March '92/#16	1
Are ASTs the Answer to USTs? (Renkes).....	August '89/#11	11

ENFORCEMENT/COMPLIANCE**COMPLIANCE**

Compliance Makes Good Business Sense (Albuquerque).....	June '16/#80	16
More Frequent Inspections=Improved Compliance+Increased Release Prevention? (Hoskinson).....	Dec. '15/#79	15
“Pig” Chews Over Meeting Regulatory Goals-Part 1 (Rounds).....	Oct. '14/#75	13
Increased Prevention: The Energy Policy Act’s Legacy to the UST Program (Hoskinson).....	March '13/#72	20
What Can We Learn from the Hudson Falls Incident? (Moreau)	May '12/#70	11
The Car That Went Bump into the Dispenser (Moreau).....	May '12/#70	8
Distilling the Essence of SOC (Harp).....	June '11/#68	3
A Criminal Before Breakfast: For Petroleum Marketers It’s Hard to Keep Up (Hines).....	Feb. 09/#60	1
The 2006 Finish Line (Rothenstein)	Feb. '07/#54	17
California’s Designated UST Operator Program’s Lookin’ Good (Bacon)	August '05/#50	6
“We Hope LUSTLine Will Be Useful...” (Frye).....	August '05/#50	1
As We Begin Our Third Decade (Rothenstein).....	Nov. '04/#48	5
“I Don’t Train, I Enforce”—Choosing Between Compliance and Enforcement (Thomas).....	March '04/#46	20
Celebrating 20 Years (Rothenstein)	March '04/#46	5
Finishing Strong—A Glance Back, A Look Forward at the UST/LUST Program (Renkes).....	March '04/#46	1
Getting it Right to Begin With—DE’s Systemwide Approach to Preventing Releases (Rollo)	July '03/#44	20
Square Operators, Round Tanks, & Regulatory Hammers: A Petroleum Marketer’s Perspective (Marr)	Oct. '02/#42	28
Live and Learn – What we have learned since UST federal regs introduced (Moreau et al).....	June '01/#38	1
Dispensing Wisdom – What state regulators have learned over the years	June '01/#38	6
Getting a Hand on Facility Compliance Inspections – NY Palm Pilot program (Braukseick et al).....	March '01/#37	12
Setting Our Sights on Operational Compliance (Thomas).....	March '01/#37	1
UST Program Direction for 1999 and Beyond (Ng).....	June '99/#32	1
Now That the '98 Deadline Has Come and Gone...How’s It Going? (Frye)	March '99/#31	1
Tank Lining Inspection Checklist	Feb. '98/#28	26
A Matter of Survival – Mom and Pops.....	Dec. '96/#25	1
Losing Out When the Deadline Bell Tolls (Renkes)	Dec. '96/#25	9
Storage System Upgrading Compliance Checklist.....	Jan. '96/#23	11
Market Projections: A Leaner Tank Population By '98 (Renkes)	June '95/#22	15
A '98 UST Upgrade Compliance Checklist.....	June '94/#20	23
To Dream The Possible Dream – UST Compliance (Moreau).....	June '94/#20	1
What About the One Million USTs that Need to Be Upgraded, Replaced, or Closed? (Renkes).....	Jan. '94/#19	13
Musts For USTs...At A Glance	Sept. '88/#09	6
Hey, You With the Tank...Comply or Cry!	May '88/#08	1
Tank Upgrading Programs Underway for Many Multi-Facility Tank Owners	Oct. '86/#04	10

Article Title (Author)	Issue date/#	page
EPA AND STATE COMPLIANCE AND ENFORCEMENT ACTIVITIES		
EPA Activities		
It's Been Quite an Autumn 2011 (Hoskinson)	Dec. '11/#69	11
Two Years After the Energy Policy Act (Rothenstein)	August '07/#56	16
EPA Puts Off Making a CCL Determination To Regulate MtBE (Frye)	June '07/#55	5
The 2006 Finish Line (Rothenstein)	Feb. '07/#54	17
Update on Energy Policy Act Implementation (Rothenstein)	Sept. '06/#53	8
A Summer to Remember (Rothenstein)	Dec. '05/#51	10
Got Water? (Rothenstein)	August '05/#50	10
As We Begin Our Third Decade (Rothenstein)	Nov. '04/#48	5
Tank Tester Sentenced for Falsified Tests	March '02/#40	16
EPA-Region 6 UST Program to Collect Its Largest Fine to Date	Feb. '00/#34	27
'98 Deadline Enforcement Strategy Samplers	Sept. '98/#30	5
EPA Action Against Worsley Companies, Inc. for Violations	Dec. '96/#25	22
UST Program Complaints Against the Navy	Dec. '96/#25	11
EPA Takes Steps to Ease Anxiety Over Lender Liability	Oct. '92/#17	19
Snapshots of Federal UST Enforcement Actions	March '92/#16	14
First EPA Consent Orders Issued	May '88/#08	3
State Activities		
CA Makes Significant Program Changes (Fisher)	Dec. '14/#76	25
Repurposing Penalties to Improve UST Operations (CA, McLernon, Vizzier)	June '14/#74	18
Eyes Wide Open (Lynn)	June '13/#73	15
Distilling the Essence of SOC (Harp)	June '11/#68	3
The GISST of GoNM: Prioritize Inspections, Target Remediation, Reduce Claims ... (Pruett, Arfman)	June '11/#68	1
CA Publishes Field Study of ATG and LLD Systems	Nov. '07/#57	14
Maryland's New Helium Test Protocol (Meade)	August '05/#50	28
New Jersey Initiates an Enhanced Statewide UST Compliance Inspection Program	Nov. '04/#48	35
New Regulations Change UST Operation in California	June '04/#47	29
Father and Son Go to Prison for UST Violations in CT	Oct. '03/#45	29
CT Brings a Strong Leak Detection Message to the Streets	June '02/#41	29
When It's Hard to Take "No" for an Answer – ME UST Siting Law (McCaskill)	June '02/#41	13
There Ought to be a Law!: Maine's New UST Siting and Inspection Laws (McCaskill)	June '01/#38	17
Alaska's Third-Party Inspection Program (Thomas)	March '01/#37	5
Vermont Loan Program Expanded to Encourage Upgrade of "Guinea Pig" Technologies	June '00/#35	11
Maine Nears 100% Compliance	March '99/#31	4
Washington UST Compliance Hotline	March '99/#31	4
'98 Deadline Enforcement Strategy Samplers	Sept. '98/#30	5
When Push Comes to Shove – Deadline Enforcement (Frye)	Sept. '98/#30	1
'98 Deadline: Enforcement Strategy Samplers	June '98/#29	18
Field Citations: New Hampshire's First Choice For Compliance Enforcement (Woodard)	July '97/#26	16
Managing & Financing Compliance & Corrective Action at State-Owned Facilities—GA (Wiggins et al)	July '97/#26	10
Maryland and Connecticut Increase Enforcement Presence Without Increasing Budgets	Dec. '96/#25	23
Pennsylvania's Third-Party UST Inspection Program	Dec. '96/#25	21
Mississippi Compliance School for UST Violators (Huff)	July '96/#24	23
Tales of Bribery and LUST—West Virginia	June '94/#20	22
FL Invests in Leak Prevention w/Aggressive Facility Compliance Verification Program (Mott-Smith)	April '93/#18	21
L.A. County Gas Station Owners Charged with Conspiracy to Falsify Tightness Tests	Oct. '92/#17	20
Compliance Letters Help Target Truant Facilities (Lund)	March '91/#14	9
The Search for the Honest Tank—UST Regulators Beef Up Facility Compliance Enforcement Efforts	March '91/#14	1
Pennsylvania's Private Sector Regulatory Approach	August '90/#13	13
If You Have a Leaking Tank and Do Not Report It	August '89/#11	8
Amnesty Fever in the Southeast	July '87/#06	9
Vermont Program to Help Small Businesses Pay Tank Replacement Costs	July '87/#06	9
Florida's Early Detection Incentive Program a Unique Approach to LUST's	March '87/#05	10

ENFORCEMENT

More Frequent Inspections=Improved Compliance+Increased Release Prevention? (Hoskinson).....	Dec. '15/#79	15
Repurposing Penalties to Improve UST Operations (CA, McLernon, Vizzier)	June '14/#74	18
Increased Prevention: The Energy Policy Act’s Legacy to the UST Program (Hoskinson).....	March '13/#72	20
The GISST of GoNM: Prioritize Inspections, Target Remediation, Reduce Claims ... (Pruett, Arfman).....	June '11/#68	1
The 2006 Finish Line (Rothenstein).....	Feb. '07/#54	17
What About Those Temporarily Closed Tanks? (Reilly).....	Sept. '06/#53	28
Los Angeles Adopts New Expedited Agency Oversight Program (Rong, Small).....	Sept. '06/#53	10
“I Don’t Train, I Enforce”—Choosing Between Compliance and Enforcement (Thomas).....	March '04/#46	20
“We’ve Shown ‘Em Our Backs Long Enough!” (Deshefy).....	June '02/#41	6
Selling the Healthy Choice: The Human Side of UST Enforcement (Poston).....	June '01/#38	15
It Can Do That? – Enforcing leak detection in Florida (Roggelin et al)	June '01/#38	12
From Our Readers: Paper Inspections Work Great!/ Inspections Needed for Verification (Eighmey)	June '00/#35	8
Enough With Walking Softly, It’s Time to Get Out the Stick (Moreau).....	Oct. '99/#33	12
PEI Keeping The State Survey Ball Rolling (Renkes).....	March '99/#31	5
Joint Industry Survey of UST Enforcement Strategies (Renkes)	Sept. '98/#30	7
Trade Associations Embark on National Survey of UST Enforcement Strategies (Renkes).....	June '98/#29	21
Inspection Tips.....	July '87/#06	11

FIELD CITATIONS

Field Citations—New Hampshire’s First Choice For Compliance Enforcement (Woodard).....	July '97/#26	16
EPA Region 6 Reports—Field Citations are the Ticket for Minor UST Violations.....	March '92/#16	17
Ridin’ That Field Citation Express	March '92/#16	16
Nabbing Truant Tanks With Timely Tickets—Expediting UST Compliance.....	August '89/#11	1

FINANCIAL ASSISTANCE

Drinking Water SRFs Leave Door Open for UST Projects.....	Dec. '96/#25	5
Washington State Takes A Hard Look at The Last Lonely Gas Station (Sims).....	Dec. '96/#25	6
States Offer “Mom and Pops” a Hand	Feb. '90/#12	6

EXTREME WEATHER AND USTS

Sandy Clobbers Long Island Home Heating Oil Tanks (Gomez)	June '13/#73	1
Drought-Devastated Corn Crop Calls for USEPA to Revisit Ethanol Quota (Frye).....	Sept. '12/#71	15
What Happened Here? (Nebraska tank struck by lightning).....	Dec. '11/#69	10
Tanks in the 2008 Iowa Floods (Nelson).....	Dec. '11/#69	8
Arizona Wildfires Test UST Owners, Operators, and Regulators (Garcia).....	Dec. '11/#69	7
Irene Takes Vermont by a Storm (Unkles)	Dec. '11/#69	5
Can Tank Systems and Tank Owners Weather High-Octane Disasters? (Frye).....	Dec. '11/#69	4
USTs versus Mother Nature, Joplin, MO (Peters).....	Dec. '11/#69	1
New Hope for Hurricane Fuel-Availability Problems... Portable Electric Pumps for UST Systems (Mott-Smith) ..	Sept. '06/#53	26
A River Runs Through It (Woodard)	Dec. '05/#51	38
The Case of Buckled Steel Tanks on Mississippi Highway 90 (Henderson)	Dec. '05/#51	8
Did the Shear Valves Shear? (Moreau)	Dec. '05/#51	7
Tanks in the Wake (Frye)	Dec. '05/#51	1
Take One Part Premium, One Part Diesel, and a Stroke of Lightning (Roggelin).....	August '05/#50	30
Tanks in Floods—Tips for UST Owners and Operators	June '94/#20	8
Tanks A Poppin’, Tanks Afloat—Lessons to be Learned from the April Fool’s Day Flooding in ME.....	July '87/#06	8

GASOLINE ADDITIVES/NEW FUELS

Untangling UST Corrosion Issues (Moreau)	Oct. '16/#81	8
Corrosion in Underground Tanks Storing Diesel Fuel (Hoskinson).....	Oct. '16/#81	6
Emerging Contaminants and Shallow Groundwater (Kuhn).....	Oct. '16/#81	4
ULSD’s Dirty Little Secrets (Albuquerque)	Dec. '15/#79	6
MtBE Remediation Bureau Cleanup (Lynn).....	Oct. '14/#75	4

Article Title (Author)	Issue date/#	page
Sulfur in Gasoline: How Low Can We Go? (Renkes).....	June '14/#74	21
Reopening Pandora’s Box-Lead Scavengers (Kuhn).....	June '14/#74	4
DEF, the Newcomer in the UST Neighborhood (Eighmey).....	June '13/#73	9
Drought-Devastated Corn Crop Calls for USEPA to Revisit Ethanol Quota (Frye).....	Sept. '12/#71	15
PEI Lends a Hand on Compatibility & Equipment Testing Issues.....	Dec.'11/#69	23
Biofuels Happenings.....	March '11/#67	14
The Fuel Quality and Tank Design Disconnect (Nazzaro).....	March '11/#67	11
Ferretting Out the Identity of Gasoline Additives (Weaver, Spidle).....	Dec. '10/#66	12
ULDS, ULSD, ULSD...the Beat Goes On (Renkes).....	June '10/#65	23
Transition—What’s in Store for Tanks and Tank Programs Over the Next Decade? Part 2 (Frye).....	June '10/#65	6
A Cautionary Note About DEF.....	March '10/#64	17
Concerns Grow Over Ultra-Low-Sulfur Diesel Fuel (Renkes).....	March '10/#64	16
Transition—What’s in Store for Tanks and Tank Programs Over the Next Decade? Part 1 (Frye).....	March '10/#64	1
DEF, It’s as Easy as One, Two, Three...(Renkes).....	Dec. '09/#63	22
What If Methanol...? (Ellis).....	August '09/#62	8
When Reality Gets in the Way of...UST/LUST Stakeholders Weigh In On Biofuels:.....	May '09/#61	1
Tangled Web of New Fuel Mandates (Ellis).....	May '09/#61	2
CA Approves a New Low-Carbon Fuel Standard.....	May '09/#61	3
MtBE? Never Again! CA Multimedia Review for New Fuels (Hodam).....	May '09/#61	4
Environmental Impacts of New Fuels (Weaver).....	May '09/#61	5
Fuels – A Petroleum Equipment Perspective (Renkes).....	May '09/#61	6
Challenges for Petroleum Marketers (Knapp).....	May '09/#61	7
State UST/LUST Program Dilemmas (Ellis).....	May '09/#61	9
Obama Establishes a Biofuels Interagency Working Group.....	May '09/#61	10
Butanol—Coming to a UST Near You! (Hodam).....	Feb. '09/#60	15
EPA Report on Natural Attenuation EDB & 1,2-DCA at Motor Fuel Release Sites./Implications for Risk Mgmt... Feb. '09/#60	Feb. '09/#60	7
Emerging Fuel Storage Issues Noted at PEI Conference.....	Nov. '08/#59	13
First Green Energy Gateway Fuel Station Opens in Lawrence, KS (Pomes).....	Nov. '08/#59	4
ATG Probe Performance with Ethanol Fuels (NWGDLE).....	Sept. '08/#58	22
It’s Always Something! That Element of Surprise in Analyzing for Gasoline Compounds.....	Nov. '07/#57	1
TBA, Go Away! (Ellis).....	Nov. '07/#57	2
Never Mind EDB, What About 1,2 DCA? (Toso).....	Nov. '07/#57	5
Results of NEIWPCC’s 2007 Survey of State Tank Programs (Frye).....	August '07/#56	12
What’s in Your Gasoline? (Lynn).....	June '07/#55	11
Look, A "Green" Fueling Station! – former Oregon brownfield site (Frye).....	June '07/#55	1
Leak Detection Equipment and Alternative Fuels (NWGLDE).....	Feb. '07/#54	26
UST Industry Trends That Will Shape 2007 and Beyond (Renkes).....	Feb. '07/#54	24
Dr. Diesel’s Pespicious Vegetable Oil Prophecy – USTs/LUSTs of Biodiesel (Ellis).....	Feb. '07/#54	11
Equipment Compatibility and the New Fuels (Renkes).....	Sept. '06/#53	29
Are We to Become "Children of the Corn"? (Ellis).....	Sept. '06/#53	20
Ethanol? Good. Yes? Um... (Ellis).....	May '06/#52	10
Is Your UST System Ethanol-Compatible? A Regulator’s Perspective (Kuhn).....	May '06/#52	7
So What about Those E10 and E85 Fuels? —A Discussion on Materials Compatibility (English).....	May '06/#52	1
And Here Comes Ultra-Low Sulfur Diesel (Renkes).....	May '06/#52	13
The Case for Multicomponent Analysis of Gasoline (Weaver).....	Dec. '05/#51	16
Leaded Gasoline? Hmm, What’s in Those USTs? (Burton).....	August '05/#50	15
What SC Is Learning About Ethylene Dibromide (EDB) at LUST Sites (Miner).....	August '05/#50	11
Age-Dating Releases at LUST Sites: Part 1. Lead [Isotopic] Fingerprints (Hurst).....	Nov. '04/#48	7
Lead Scavengers: A Leaded Gasoline Legacy? (Falta).....	June '04/#47	6
EPA/ASTSWMO Form Team to Delve Into EDB and 1.2-DCA in Groundwater.....	June '04/#47	10

HEALTH AND SAFETY

AIR POLLUTION

Having Vapors...Assessing the Risks.....	July '87/#06	6
--	--------------	---

GENERAL

What’s the Deal with Methane at LUST Spill Sites? Part 1 (Wilson et al.)	Sept. '12/#71	6
The Car That Went Bump into the Dispenser (Moreau)	May '12/#70	8
Alas, Poor Groundwater (Hoskinson)	March '11/#67	4
