# Kate Hernandez

## *Information Officer*

Kate joined NEIWPCCC's Human Resources division in July 2020. As an information officer, Kate is responsible for activities including training, benefits administration, employee relations, and database management. She assists with recruiting, employee onboarding and training, and participates in compliance initiatives. Kate holds a Bachelor of Arts in Communication from Regis College.

Kate's HR experience spans 22 years, with a focus in organizational development and strategy, performance management, and onboarding. Prior to joining NEIWPCCC, Kate held the role of people operations manager at Curriculum Associates, where she refined onboarding practices, managed the organization's online training portal, and analyzed the results of the organization's semiannual employee survey. From 2016-2018, Kate served as a Human Resources business partner with Rosetta Stone (Lexia Learning), where she worked with departmental leads to set strategic objectives, plan workforce performance and retention goals, and evaluate market trends and internal equity. From 2005-2013, Kate served as the sole Human Resources manager for Teledyne, DALSA, working with corporate senior leadership on strategic initiatives, management structure, and employee engagement. She also served on a team that developed and administered the organization's continuous goal setting and performance appraisal metric system.
