# Mary Berner

## *Human Resources Director*

Mary joined NEIWPC in September of 2020. In this role, Mary is responsible for managing talent acquisition strategies, developing effective employee engagement and retention programs, implementing compensation and benefits plans, identifying professional and leadership development opportunities, and ensuring compliance with all state and federal regulations.

Mary's most recent experience was with Comcast Cable Corporation as Senior Director of Human Resources. She spent 15 years with Comcast in a variety of HR roles providing support to customer care, sales and marketing, and technical operations. Prior to Comcast, Mary worked for Digital Equipment Corporation, which eventually was bought by Compaq Computer Corporation and then later Hewlett Packard Corporation. Mary spent 14 years at this company in human resources management roles, focused on driving employee engagement, performance management, talent acquisition, and recognition Programs.
