

NEIWPCC Water Resource Adaptation & Climate Change Workgroup Call

November 4, 2019

1:30 - 3:00 PM

Audio Connection:

To connect via computer audio: <https://global.gotomeeting.com/join/303412421>

-OR-

Telephone Call-In Number: 1-646-749-3112

Attendee Access Code: 303-412-421

Agenda

1:30 Roll Call

1:40 Roundtable Discussion:

- Is each (New England) state developing state-wide resiliency adaptation plans? Or encouraging development of plans at the municipal/local level?
- How is your state establishing adaptation goals? How can we measure and acknowledge effective adaptive work?
- What state and regional programs are monitoring for climate change (parameters)?
- Interest/need for a regional water resource vulnerability analysis?

2:20 Quick program updates (5 min each)

3:00 Adjourn
