**BIGSTONE
CONVENIENCE**

A large black cylindrical object, possibly a pipe or a piece of machinery, is being lifted by a yellow excavator. The excavator's arm is extended, and the cylinder is suspended in the air. Below the cylinder, a red dump truck is parked on a dirt surface. The truck's bed is slightly raised. In the background, there are bare trees and a red building with a white window. To the left, a sign for 'BIGSTONE CONVENIENCE' is visible. The sky is overcast.
