Outreach in Languages Other Than English

National Tanks Conference

Bonney Hughes, Environmental Scientist & Specialist

September 14, 2022

New Mexico is multilingual

New Mexico has:

The highest percentage of Hispanic people, 49%

The third highest percentage of Native people, 11%

34% of people speaking a language other than English at home (Spanish, Diné)

NMED's Public Involvement Plans

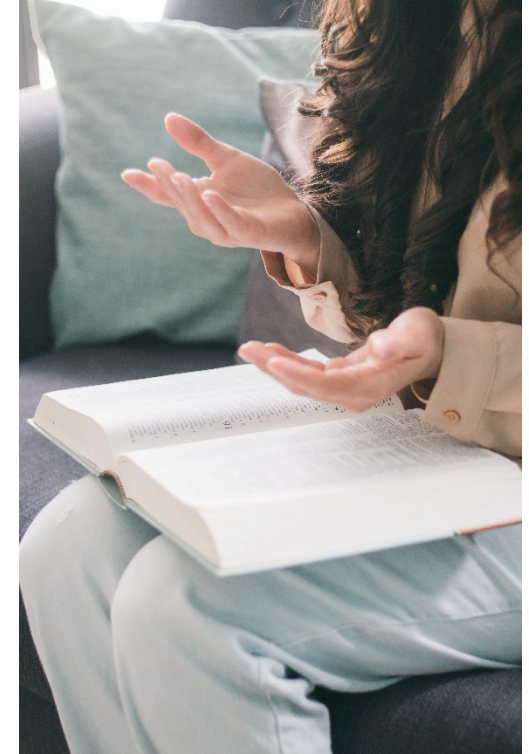

- ❑ PIPs required for all actions that involve public participation
- ❑ PSTB translates all public notices into Spanish
- ❑ NMED requires the use of EPA's EJScreen tool to determine extra public outreach and translation needs
- ❑ PIPs also require outreach to any nearby tribes, colonias, or land grants

NMED's Translation Efforts

- The NM Environment Dept. hired a professional Spanish translator in 2018
- The Petroleum Storage Tank Bureau (PSTB)'s e-blasts have been translated into Spanish since December 2017
- PSTB's goal since 2017: translate all documents for the public into Spanish
- 2021: Brochures translated into Arabic and Urdu at inspectors' request
