Type	Regular Registration (\$250)      MHOA Member Registration (\$225)

- Register early as space is limited. Registrations are taken on a first-come/first-served basis based on completeness of application and full payment. A confirmation email with specific logistics, Zoom link, downloadable materials and directions will be emailed to you after your registration has been approved. You will need a computer with access to the internet and audio to participate in this meeting. This course is NOT approved for Title 5 Training Contact Hours. No cancellations or refunds after July 11, 2024.
- The registration fee is \$250 per person (or \$225 for MHOA members). The fee covers the cost of registration, handouts, manual and the exam. There is a \$30 fee for checks returned due to insufficient funds. **Municipalities are permitted to submit a copy of their town payment request as proof of payment.** Purchase orders are not accepted, invoices will not be generated. Checks are payable to **NEIWPC**, 650 Suffolk Street, Lowell, MA 01854. Registrations can be emailed to title5@neiwpc.org.
- Applications are not complete unless the registration form, payment/municipal proof of payment, eligibility application, and proof of eligibility are received. Incomplete applications are NOT considered registered.

**Qualifications for Eligibility**

**Board of Health Member or Agent**

Submit appointment letter or membership/ID card (establishing 1 year of experience).

**Engineer in Training (EIT)**

Submit copy of certifying documentation and proof of concentration (civil, environmental or sanitary)

**Licensed Home Inspector or Associate Home Inspector**

Submit copy of Mass. state registration card.

**System Installer or Pumper**

Submit copy of town or city permit.

**Others**

Submit letter from employer verifying experience of at least one year in septic system inspections or design.

**Pre-Qualified – Class/Exam Not Required**

- Mass. Registered Professional Engineer (civil, sanitary or environmental engineering)
- Mass. Certified Health Officer
- Mass. Registered Sanitarian

*Pre-qualified applicants are not required to take the training or the exam. A \$100 fee and pre-approval application can be submitted to NEIWPC.*

**Massachusetts Title 5 System Inspector Eligibility Form**

System Inspectors who perform inspections pursuant to 310 CMR 15.301 shall be: (a) Massachusetts Registered Professional Engineers with a concentration in civil, sanitary or environmental engineering; Massachusetts Registered Sanitarians; or Certified Health Officers; or (b) Board of Health members or agents, Engineers in Training (EIT certified) with a concentration in civil, sanitary, or environmental engineering, professional home inspectors, licensed septage haulers, disposal system installers, or other individuals with a minimum of one year of demonstrated experience in septic system inspection, who have attended training provided or authorized by the Department; and who have passed an examination prepared and administered by the Department or an agent authorized by the Department to qualify as an approved System Inspector pursuant to 310 CMR 15.34-(2).

Please read all questions carefully and answer fully. Application must be filled out completely, where applicable, and proof of eligibility (see next page) must be attached. Eligible persons must take the SI class and pass the SI exam in order to become a MA Title 5 System Inspector (see next page).\* **Also note that this form should be completed and submitted at the same time as the certification course registration form.**

Type or print clearly in ink only.

Attach recent photo with face not less than one inch wide, or a copy of driver's license may be used. **Please note this is a mandatory requirement.**

Proof of eligibility must be attached to this application. If proper proof is not submitted, your application **WILL NOT BE PROCESSED.**
