Both the candidate and his/her supervisor must certify that the candidate will attend all classes that are part of the Management Candidate School. The supervisor also agrees to host a participant from another facility for one day of job shadowing. A certificate of completion will be awarded to each student during a graduation ceremony held during the 2025 Maine Water Environment Association fall convention. JETCC provides the course book and enrolls all MCS students who desire to participate in the California State University at Sacramento "Manage for Success" self-study program. A diploma will be awarded to all MCS students who complete the full MCS curriculum. The MCS curriculum constitutes no more than two excused absences, completion of the CSUS self-study program, the Operator Exchange, program assignments, and a classroom presentation.
